

THE MULIA, MULIA RESORT & VILLAS
NUSA DUA - BALI

Mulia Bali – A World of Distinction by the Sea

Three extraordinary stays. One legendary destination.

Where Refined Living Meets the Spirit of Bali

From the tranquil shoreline of Nusa Dua, Mulia Bali invites guests to discover an immersive escape that harmonises beachfront serenity, timeless design, and heartfelt service. With three distinctive resort experiences within one integrated destination—The Mulia, Mulia Resort and Mulia Villas—every stay is tailored to the rhythm of your guests' desires.

A Place Rooted in Spirit and Nature

Set along the revered Geger Beach, named by CNN as one of the world's finest, and next to the sacred Pura Geger temple, Mulia Bali offers a rare blend of cultural immersion and coastal elegance. The resort is a mere 20-minute drive from Ngurah Rai International Airport, yet worlds away from the everyday.

Bali's First Multi-Resort Integrated Destination

Three distinct resorts, united by one extraordinary beachfront address.

- **The Mulia:** An enclave of all-suite elegance along the shoreline, welcoming each sunrise with uninterrupted ocean views and attentive, personalised butler service.
- **Mulia Resort:** Expansive and vibrant, delivering a wealth of experiences from world-class dining and tranquil pools to curated activities for every traveller.
- **Mulia Villas:** The island's largest private pool villas, set amidst tropical gardens and offering dedicated butlers and the refined quietude of a personal sanctuary.

A World of Accolades

Sustainability

Mulia Bali continues to lead in sustainable luxury, showcasing its commitment to environmental stewardship:

- Recognised as a Regional Leader by EarthCheck in 2024, Mulia Bali achieved a 97.5% reduction in landfill waste per guest night, placing us among the top 10% of sustainable properties in the Asia-Pacific region.
- Awarded Regional Leader status in eco-certified cleaning product standards, reinforcing our commitment to responsible operations.
- Pioneered the shift toward plastic-free hospitality with the adoption of biodegradable cassava-based packaging and the elimination of single-use plastics – a journey we began more than seven years ago.
- Invested in closed-loop wastewater treatment and water recycling systems, supporting the United Nations Sustainable Development Goal 6: Clean Water and Sanitation.
- Committed to continuous improvement through annual third-party benchmarking and comprehensive sustainability training for all team members.
- Plays an active role in mitigating Bali's waste management crisis, reducing pressure on landfill infrastructure through in-house waste solutions and responsible sourcing.

The Mulia, Mulia Resort & Villas - Nusa Dua, Bali
