

THE MULIA, MULIA RESORT & VILLAS
NUSA DUA - BALI

Three Luxury Experiences Within One Destination

A beachfront address on Geger Beach where three distinct resort experiences coexist within one integrated destination.

Where Bali Slows Down

Located along the calm shoreline of Geger Beach in Nusa Dua, Mulia Bali occupies one of the most peaceful stretches of coastline on the island. Protected by a natural coral reef, the waters remain gentle, while the resort sits beside Pura Geger Temple, creating a quieter beachfront setting away from busier tourist zones.

Ngurah Rai International Airport is approximately 15 kilometres away, typically a 25–40 minute drive depending on traffic.

Three Distinct Resorts One Integrated Destination

Mulia Bali comprises three interconnected yet distinct properties sharing a beachfront location.

- **The Mulia:** an all-suite beachfront retreat.
- **Mulia Resort:** expansive resort living with rooms and suites.
- **Mulia Villas:** all private pool villas designed for privacy and retreat.

Together, they create a destination that accommodates couples, families, groups, and villa travellers within one resort environment.
